PERRY, *Administrative Patent Judge*

ORDER

*Granting Motion for Withdrawal of Counsel*

*37 C.F.R. § 42.5 and § 42.10(e)*

The parties presented an authorized joint motion for withdrawal of representation of patent owner by Anthony F. Lo Cicero and Abraham Kasdan. Paper 13.

37 C.F.R. § 42.10(e) permits counsel to withdraw from a proceeding before the board when authorized to do so. We grant the motion for reasons set forth below.

Patent Owner filed a Preliminary Response on March 17, 2014 (Paper 12). A decision has not yet been issued with regard to institution of trial on claims challenged by the corrected petition (Paper 6). The Board has already received a Power of Attorney from new counsel for the Patent Owner (Paper 15). The substitution of counsel is being made without any alteration to the schedule of this matter.

Patent Owner has submitted a Power of Attorney (Paper 15) designating new Patent Owner Counsel Thomas Engellenner and Reza Mollaaghababa. That Power of Attorney does not specify “lead counsel” and “back-up counsel.” In the absence of such information, we designate Thomas Engellenner, listed first on the Power of Attorney as lead counsel and Reza Mollaaghababa, listed second on the Power of Attorney as back-up counsel. If Patent Owner intends otherwise, it should file an appropriate request for change.
