Case IPR2014-00216

Patent No. 6,179,053

**PATENT OWNER'S MOTION TO EXPUNGE
EXHIBITS 2024-2027**

Patent Owner hereby submits this Motion to Expunge the versions of Exhibits 2024, 2025, 2026, and 2027, that were inadvertently filed as “Public” Exhibits. Each of these Exhibits is labeled as “Highly Confidential” and “Attorneys’ Eyes Only” in accordance with the Protective Order, Paper No. 22 and was never intended to be filed as a “Public” document. Further, Patent Owner has already correctly re-filed Exhibits 2024, 2025, 2026, and 2027 as “Filing Party and Board Only” designated Exhibits as they were originally intended to be filed. Finally, Patent Owner respectfully requests urgent action regarding this Motion due to the sensitive nature of the documents contained in the Exhibits requested to be expunged.
