IPR2014-00364 (Patent 6,289,993 B1)

The parties filed a joint notice of stipulation modifying each of Due Dates 2-6. Authorization was given to the parties to stipulate to changes of Due Dates 2-5 in the scheduling order entered in each case. One-time authorization to stipulate to a change of Due Date 6 was given in a conference call on November 3, 2014. The schedule changes that the parties have agreed upon are acceptable. The parties must seek approval from the Board before stipulating to another change of Due Date 6.

Although the Board approves the parties' stipulated change of Due Date 4, the deadline for parties to file requests for oral argument remains **January 7, 2015**, for Board planning purposes.
