

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GREENE'S ENERGY GROUP, LLC
Petitioner

v.

OIL STATES ENERGY SERVICES, LLC
Patent Owner

Case IPR2014-00216
Patent 6,179,053

Case IPR2014-00364
Patent 6,289,993

**ERRATA SHEETS FOR TRANSCRIPT OF PETITIONER'S EXPERT DON
SHACKELFORD**

Further to the verbal authorization provided during the telephone conference of November 3, 2014, Petitioner files the attached Errata sheets for the deposition of Don Shackelford (Ex. 2013 in IPR2014-00364 and Ex. 2015 in IPR 2014-00216) unopposed. Generally, the changes made in the attached Errata sheets do not substantively alter any testimony referenced in any Papers filed by the parties to date. Petitioner does note that Patent Owner's Declaration of Gary Wooley in support of its Motion to Amend (Ex. 2017 in IPR2014-00216) generally references page 44 of Mr. Shackelford's deposition, and the Errata sheets correct a transcription error to replace the word "doesn't" with the word "does." In the event the parties reference any testimony in which the change made by the Errata sheets is significant, the party referencing that testimony will identify the change in connection with the reference.

Dated: December 1, 2014

Respectfully submitted,

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
