ORDER  
Trial Hearing  
35 U.S.C. § 326(a)(10)

---

<sup>1</sup> This decision addresses an issue that is identical in each case. We, therefore, exercise our discretion to issue one Order to be filed in each case. Unless otherwise authorized, the parties, however, are not authorized to use this style heading for any subsequent papers.

Case IPR2014-00237 (Patent 8,504,697); Case IPR2014-00238 (Patent 8,504,697)

Petitioner requests that the Board hold a hearing and Patent Owner requests participation in the hearing the same extent as Petitioner. The requests are granted. There is substantial overlap in the issues raised in the two cases. Accordingly, each party will have sixty (60) minutes total time to present arguments. Petitioner will proceed first to present its case with respect to the challenged claims and grounds for which the Board instituted trial in IPR2014-00237 and -00238. Thereafter, Patent Owner will respond to Petitioner's presentation. Both parties may reserve some of their argument time for closing arguments.

The hearing for these cases will commence at 2:00 PM Eastern Time, on February 9, 2015, and it will be open to the public for in-person attendance, on the ninth floor of Madison Building East, 600 Dulany Street, Alexandria, Virginia. In-person attendance will be accommodated on a first-come first-served basis. The Board will provide a court reporter for the hearing and the reporter's transcript will constitute the official record of the hearing.

Under 37 C.F.R. § 42.70(b), demonstrative exhibits must be served five business days prior to the hearing. They shall be filed at the Board two business days prior to the hearing, and the parties must initiate a conference call with the Board by two business days prior to the hearing to resolve any dispute over the propriety of each party's demonstrative exhibits. Any dispute over the propriety of demonstrative exhibits that is not timely presented two business days prior to the hearing will be considered waived. The parties are directed to *CBS Interactive Inc. v. Helferich Patent Licensing, LLC*, IPR2013-00033, Paper 118 (October 23, 2013), regarding the appropriate content of demonstrative exhibits.

Questions regarding specific audio-visual equipment should be directed to the Board at (571) 272-9797. Requests for audio-visual equipment are to be made 5 days in advance of the hearing date. The request is to be sent to

Case IPR2014-00237 (Patent 8,504,697); Case IPR2014-00238 (Patent 8,504,697)

Trials@uspto.gov. If the request is not received timely, the equipment may not be available on the day of the hearing.

The parties are reminded that the presenter must identify clearly and specifically each demonstrative exhibit (e.g., by slide or screen number) referenced during the hearing to ensure the clarity and accuracy of the reporter's transcript.

The Board expects lead counsel for each party to be present at hearing, although any backup counsel may make the actual presentation, in whole or in part. If any lead counsel will not be in attendance at hearing, the Board should be notified via a joint telephone conference call no later than two days prior to the hearing to discuss the matter.
