1 P R O C E E D I N G S

2 JUDGE TIERNEY: All right. This  
3 is Judge Tierney. I'm going to start today.

4 I believe we have Judge Siu and  
5 Judge Easthom on the line.

6 JUDGE SIU: Yes, this is Judge  
7 Siu. I'm on the line.

8 JUDGE TIERNEY: Thank you.

9 JUDGE EASTHOM: And this is  
10 Judge Easthom. I'm on the line.

11 JUDGE TIERNEY: Thank you.

12 And then for the parties today,  
13 if the Petitioner could go ahead and announce  
14 who will be on the call today for the  
15 petitioner.

16 MR. KUSHAN: Yeah, this is Jeff  
17 Kushan from Sidley for Petitioner.

18 JUDGE TIERNEY: And then for  
19 Patent Owner?

20 MR. PALYS: This is Joseph Palys  
21 and Naveen Modi for VirnetX.

22 JUDGE TIERNEY: Welcome,

Henderson Legal Services, Inc.

800.320.4158

1 everyone, to the conference call.

2 Today's call should be fairly  
3 straightforward -- court reporter, you are  
4 there, I take it.

5 THE REPORTER: I am, thank you.

6 JUDGE TIERNEY: Today's call  
7 should be very straightforward given the  
8 motions list that the parties provided.

9 I'll start today with the Patent  
10 Owner. There were no motions that you intend  
11 to file at this point in time or there are?  
12 Please clarify.

13 MR. PALYS: At this point, your  
14 Honor, there are none. Obviously, we'll let  
15 the Board know if that changes.

16 JUDGE TIERNEY: Are there any  
17 concerns you have regarding the schedule?

18 MR. PALYS: No. We're willing  
19 to go forward with the schedule as is.  
20 Obviously, we asked for the 18-month schedule  
21 that the Board decided not to take, so we  
22 know what the schedule is.

1 JUDGE TIERNEY: Are there any  
2 concerns regarding a protective order?

3 MR. PALYS: I think at this  
4 point, your Honor, you know, we don't think a  
5 protective order is necessary, but if and  
6 when we need to cross that bridge, obviously,  
7 we'll approach the Board on that.

8 JUDGE TIERNEY: Okay. All  
9 right. I'm going to turn it over to -- is  
10 there anything further you would like to add  
11 before I turn it over to the Petitioner?

12 MR. PALYS: No, your Honor.

13 JUDGE TIERNEY: Okay.

14 Petitioner, I'm going to be  
15 asking you the same questions.

16 First of all, are there any  
17 motions you intend to file at this time that  
18 were not identified let's say on your  
19 motions, the last set you provided to the  
20 Board?

21 MR. KUSHAN: No, your Honor.

22 We're going to take the same posture that

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
