PETITIONERS' SUBMISSION OF ASSIGNMENT DOCUMENTS

Case No.: IPR2014-00275

On January 16, 2014, the Patent Trial and Appeal Board requested Petitioners' counsel of record to provide information showing that InterDigital Technology Corporation is the owner of U.S. Patent No. 7,941,151 (the "151 Patent"). As requested, Petitioners submit as Attachment A assignment documents showing that in November 2004 all three named inventors, Marian Rudolf, Stephen G. Dick, and Philip J. Pietraski, assigned to InterDigital Technology Corporation the entire right, title, and interest in and to U.S. Patent Application No. 10/902,740, to which the 151 Patent claims priority by way of continuation. InterDigital Technology Corporation submitted the documents included in Attachment A as Exhibit 11 to its Complaint in pending International Trade Commission Investigation No. 337-TA-868, and stated in that Complaint that "Complainant InterDigital Technology Corporation owns by assignment the entire right, title, and interest in and to the '151 patent. *See* Exhibit 11."

Dated: January 16, 2014

Respectfully submitted,
