CASE IPR: 2014-00279  
Patent 6,324,463

---

**JOINT MOTION TO TERMINATE THE *INTER PARTES* REVIEW WITH  
RESPECT TO AMERICAN HONDA MOTOR CO., INC.**

Pursuant to 35 U.S.C. § 317(a) and 37 C.F.R. § 42.72, Patent Owner and American Honda Motor Co., Inc. (“Honda”) jointly request termination of *Inter Partes* Review Case No. IPR2014-00289 with respect to Honda and its identified real parties-in-interest Honda Motor Co. Ltd. and Honda Patents and Technologies, N.A., LLC.

Patent Owner and Honda respectfully submit that termination is appropriate because they have reached an agreement resolving the dispute involving the patent at issue in the above-captioned *Inter Partes* Review, it is prior to full briefing on the issues raised in the above-captioned *Inter Partes* Review, and the Board has not issued a final written decision. Further, Honda represents that it will no longer participate even if the Board does not terminate its participation in the above-captioned *Inter Partes* Review. That means Honda will file no further papers. It also will not be conducting any further cross examination of Patent Owner’s witnesses and will not be participating in any oral argument.

As required under 35 U.S.C. §317(b) and 37 C.F.R. § 42.72(b), filed herewith is a true copy of the written Confidential Settlement Agreement resolving the dispute in the above-captioned *Inter Partes* Review and the related litigation. *See* Confidential Exhibit 2000.

Also attached as Exhibit A to the written Settlement Agreement is a copy of the Stipulated Motion for Dismissal With Prejudice of the action in the United States

District Court for the Eastern District of Michigan. Exhibit 2001, which is being filed concurrently with this Joint Motion, includes the executed Stipulated Motion for Dismissal With Prejudice and the resulting Order.

Patent Owner and Honda are concurrently filing a Joint Request that the Settlement Agreement, Confidential Exhibit 2000, shall be treated as business confidential information, shall be kept separate from the file of the involved patents, and shall be made available only to Federal Government agencies on written request, or to any person on a showing of good cause pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. §42.74(c).

Respectfully submitted,

Dated: November 14, 2014
