Petitioner

v.

CRUISE CONTROL TECHNOLOGIES LLC,
Patent Owner

CASE IPR: 2014-00280
Patent 6,324,463

**JOINT MOTION TO TERMINATE THE *INTER PARTES* REVIEW WITH
RESPECT TO NISSAN NORTH AMERICA, INC.**

Pursuant to 35 U.S.C. § 317(a) and 37 C.F.R. § 42.72, Patent Owner and Nissan North America, Inc. (“Nissan”) jointly request termination of *Inter Partes* Review Case No. IPR2014-00289 with respect to Nissan.

Patent Owner and Nissan respectfully submit that termination is appropriate because they have reached an agreement resolving the dispute involving the patent at issue in the above-captioned *Inter Partes* Review, it is prior to full briefing on the issues raised in the above-captioned *Inter Partes* Review, and the Board has not issued a final written decision. Further, Nissan represents that it will no longer participate even if the Board does not terminate its participation in the above-captioned *Inter Partes* Review. That means Nissan will file no further papers. It also will not be participating in any oral argument.

As required under 35 U.S.C. §317(b) and 37 C.F.R. § 42.72(b), filed herewith is a true copy of the written Confidential Settlement Agreement resolving the dispute in the above-captioned *Inter Partes* Review and the related litigation. *See* Confidential Exhibit 2002.

Also attached as Exhibit A to the written Settlement Agreement is a copy of the Stipulated Motion for Dismissal With Prejudice of the action in the United States District Court for the Eastern District of Michigan. Exhibit 2003, which is being filed concurrently with this Joint Motion, includes the executed Stipulated Motion for Dismissal With Prejudice and the resulting Order.

Patent Owner and Nissan are concurrently filing a Joint Request that the Settlement Agreement, Confidential Exhibit 2002, shall be treated as business confidential information, shall be kept separate from the file of the involved patents, and shall be made available only to Federal Government agencies on written request, or to any person on a showing of good cause pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. §42.74(c).

Respectfully submitted,

Dated: December 23, 2014
