v.

RB PHARMACEUTICALS LIMITED
Patent Owner.

Case IPR2014-00325
Patent 8,475,832

**PATENT OWNER RB PHARMACEUTICALS LIMITED'S
NOTICE OF APPEAL**

Director of the United States Patent and Trademark Office
c/o Office of the General Counsel
Madison Building East, 10B20
600 Dulany Street
Alexandria, VA 22314-5793

Notice is hereby given, pursuant to 35 U.S.C. §§ 141 and 142 and in accordance with 37 C.F.R. § 90.2(a), that Patent Owner RB Pharmaceuticals Limited (“RBP”) hereby appeals to the United States Court of Appeals for the Federal Circuit from the Final Written Decision of the Patent Trial and Appeal Board (“Board”) entered on June 30, 2015 (Paper 43) and from all underlying orders, decisions, rulings and opinions.

For the limited purpose of providing the Director with the information requested in 37 C.F.R. § 90.2(a)(3)(ii), RBP expects that the issues on appeal may include the following, without limitation: the Board’s determination that Claims 15–19 of U.S. Patent No. 8,475,832 are anticipated and rendered obvious by the prior art of record, and any finding or determination (factual or legal) supporting or related to that determination; the Board’s interpretation of the claims; the Board’s application of the legal standards for anticipation and obviousness; the Board’s findings regarding the disclosures of the prior art of record to a person of ordinary skill in the art; the Board’s findings regarding whether the Petitioner met its burden of establishing the prior art of record enables the claimed invention; the Board’s findings regarding whether the Petitioner met its burden of establishing that a

person of ordinary skill in the art would have been motivated to combine the prior art of record in the ways stated by the Board; the Board's findings regarding whether the Petitioner met its burden of establishing that a person of ordinary skill in the art would have had a reasonable expectation of successfully arriving at the claimed invention; and the Board's findings relating to objective indicia of nonobviousness and the weight to be accorded them in an analysis of obviousness; as well as all other issues decided adversely to RBP in any orders, decisions, rulings and opinions.

Concurrently with this submission, a copy of this Notice of Appeal is being filed with the Board. In addition, this Notice of Appeal, along with the required docketing fees, are being filed electronically with the Clerk's Office for the United States Court of Appeals for the Federal Circuit via the Court's CM/ECF system.

RBP does not believe that the filing of this notice requires the payment of any fees to the United States Patent and Trademark Office. However, in the event that such fees are required, the Director is hereby authorized to charge any required fees to Deposit Account 20-1507 to ensure that this notice is considered timely filed and processed.

Dated: August 28, 2015

Respectfully submitted,

By: /James M. Bollinger/
