**JOINT NOTICE OF STIPULATED REVISED DUE DATES**

Patent Owner RB Pharmaceuticals Limited and Petitioner BioDelivery

Sciences International, Inc. jointly stipulate to different dates for Due Dates 1 and 2. As reflected in the below Revised Due Date Schedule, the parties have agreed to change Due Date 1 to November 7, 2014, and Due Date 2 to January 30, 2015.

The Revised Due Date Schedule also reflects that Patent Owner does not plan to make a motion to amend the patent in this proceeding. Furthermore, the parties stipulate to waive enforcement of 37 C.F.R. § 42.53(d)(2) to the extent that it requires cross-examination to take place more than one week before the filing date for any paper in which the cross-examination testimony is expected to be used.

The parties agree to work together to set reasonable deposition dates under the circumstances that present themselves at the time.
