A list of proposed motions not already authorized by the Board is typically due two business days before the initial conference call. Petitioner Micro Motion, Inc. (“Petitioner”) did not contemplate filing any such motions in the above-captioned *inter partes* review until late afternoon on Friday, August 22, 2014, when it became apparent during discussions with Patent Owner Invensys Systems, Inc. (“Patent Owner”) that an adjustment to Due Date 6 of the Scheduling Order would be necessary to accommodate a possible joint stipulated adjustment to Due Dates 1-5.

The parties are in discussions to adjust Due Dates 1-5 as follows:

- Date 1: ~~October 10, 2014~~ October 27, 2014
- Date 2: ~~December 19, 2014~~ January 9, 2015
- Date 3: ~~January 20, 2015~~ February 4, 2015
- Date 4: ~~February 2, 2015~~ February 11, 2015
- Date 5: ~~February 17, 2015~~ February 23, 2015

However, in order to accommodate the foregoing adjustments, Due Date 6 would need to be adjusted accordingly:

- Date 6: ~~February 23, 2015~~ February 27, 2015

Aside from the foregoing, Petitioner at this time does not contemplate filing any other motions that are not already authorized by Board rule or practice.

Respectfully submitted,

Date: August 25, 2014
