DECISION  
Joint Motion to Terminate  
37 C.F.R. § 42.72

---

<sup>1</sup> Case IPR2014-00483 has been joined with this case. Going forward, the caption will be changed to reflect that Microsoft is no longer a party to the proceeding.

Patent Owner and Microsoft filed a joint motion to terminate the trial proceedings as to a subset of Petitioner under 35 U.S.C. § 317(a). Paper 28. Along with the motion to terminate, Patent Owner and Microsoft filed a joint request to treat the settlement agreements as business confidential information under 35 U.S.C. § 317 and 37 C.F.R. § 42.74(c) (Papers 29 and 30) and filed copies of documents they described as the written settlement agreements (Exhibit 2044).

Under 35 U.S.C. § 317(a), “[a]n inter partes review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” Generally, Patent Owner and Microsoft state that termination with respect to Microsoft is appropriate as the Board has not decided the merits of the proceeding and as Microsoft will no longer be participating as a party in the proceeding. As we have not yet decided the merits of the proceeding, we hold that it is appropriate to terminate this proceeding with respect to Microsoft. Additionally, we grant Patent Owner and Microsoft’s request to treat the settlement agreement as business confidential information.
