UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

BROSE NORTH AMERICA, INC.
and
BROSE FAHRZEUGTEILE GMBH & CO. KG, HALLSTADT
Petitioner

v.

UUSI, LLC
Patent Owner

Case IPR2014-00416
Patent 8,217,612

**PATENT OWNER'S CONTINGENT REQUEST FOR PARTICIPATION IN
ORAL ARGUMENT**

Pursuant to Rule 42.70(a) and the Board's Scheduling Order, Patent Owner UUSI does not request oral argument for the hearing currently scheduled for April 30, 2015 in IPR2014-00416 relating to U.S. Patent No. 8,217,612 (the "'612 Patent"). But if Petitioner requests oral argument then Patent Owner requests to participate and argue in the hearing. Patent Owner relies on its briefing and evidence in the record for any and all remaining issues not specifically identified for oral argument.

I. Issues to Be Argued

A. Excluding evidence as requested in Patent Owner's Motion to Exclude filed concurrently herewith.

B. Lack of anticipation of Claims 1, 2 and 6-8 of the '612 Patent by Itoh, including the insufficiency and unreliability of Petitioner's evidence.

C. Lack of obviousness of Claims 1, 2 and 5-8 of the '612 Patent by Itoh, including the insufficiency and unreliability of Petitioner's evidence.

D. Lack of obviousness of Claims 1, 2 and 5-8 of the '612 Patent by Itoh and Kinzl.

E. Lack of obviousness of Claims 1, 2 and 5 of the '612 Patent by Itoh and Zuckerman.

F. Lack of obviousness of Claims 1, 2 and 5 of the '612 Patent by Itoh, Kinzl and Zuckerman.

G. Lack of anticipation of Claims 6-8 of the '612 Patent by Kinzl, including the insufficiency and unreliability of Petitioner's evidence.

H. Lack of obviousness of Claims 6-8 of the '612 Patent by Kinzl, including the insufficiency and unreliability of Petitioner's evidence.

I. Lack of obviousness of Claims 6-8 of the '612 Patent by Kinzl and Itoh, including the insufficiency and unreliability of Petitioner's evidence.

J. Issues noted in Petitioner's request for oral arguments or otherwise raised by the Board.

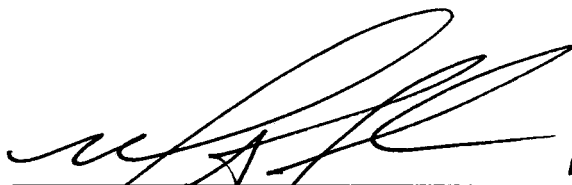

II. Format of Oral Argument

If rebuttals are allowed then Patent Owner requests that it be allowed to reserve some of its allotted time for rebuttal argumentation.

III. Related Proceedings

The issues raised in this proceeding and in IPR2014-00417 present overlapping issues, and Patent Owner suggests that oral argument in these proceedings be handled together if Petitioner requests oral argument.
