DECISION ON MOTION  
*Supplemental Information*  
37 C.F.R. §42.123

IPR2014-00417  
Patent 7,579,802

Authorization was granted (Paper 18) to Petitioners to move for the submission of supplemental information. Petitioners now move (Paper 22), pursuant to 37 C.F.R. §42.123, to submit supplemental information, namely three patent documents related to the patent at issue. The Motion recites that these documents are relevant to our consideration of the patentability of at least claim 7. It appears that these documents have been filed as Exhibits 1044-1046.

Petitioner indicates that Patent Owner does not oppose.

The Motion is GRANTED.
