ULTRA GOLF'S MAJOR FEATURES

Your ultimate golfing dream - to win a major championship - is finally at your fingertips. But getting to the top of the leader board will be rough, to say the least. Your opponents are legendary, and so are the courses. But what the heck, give it your best shot.

Ultra Golf can be played by one or two hackers...I mean golfers. While an immense amount of talent is required, a Game Link is not.

TOURNAMENT MODE (FOR ONE PLAYER ONLY)

After you qualify in a Pro Test round on the Masters Course, you can join the pro tour and compete for the championship.

PRACTICE MODE (FOR ONE PLAYER ONLY)

This mode lets you select any hole in any order to sharpen your skills. If this doesn't improve your game, nothing will.

MATCH PLAY MODE (FOR TWO PLAYERS)

Your goal here is to win every possible hole. After the round is completed, the player who's won the most holes doesn't have to worry about picking up the check at the nineteenth. Before beginning, you can choose the course and number of holes to play.
