PLAYING PGA TOUR® GOLF RUB SHOULDERS WITH THE BEST

Clubhouse at Eagle Trace

Welcome to PGA TOUR Golf, the one game that lets you compete against the TOUR's most formidable pros on some of the finest, most challenging golf courses in the world.

Just like your favorite TOUR players, you'll need to size up and execute special shots from a variety of lies, overcome the pressure of a win-it-all putt from the fringe, and defend your hard-earned reputation as a master of coordination, touch, and power.

Pick the right club, make the perfect swing and experience the thrill of holing-out on the famous 17th at the Tournament Players Club (TPC) at Sawgrass. Then try to blend your skill and discipline to tame the mountainous bunkers and undulating swales of the PGA West Stadium Course at La Quinta. Test your driving accuracy at Eagle Trace, where you're forced to negotiate an imposing system of canals. Or try to reach the notorious tiered green of the 13th at the TPC at Avenel with a middle iron, hitting through a driving cross-wind.

You're about to experience everything offered by the real game except the dirt from a divot and an unexpected cloudburst. If you're ready for great action, let's get to it.
