ERRATA

The Notice of Filing Date Accorded to Petition, issued March 6, 2014, contained errors.

The following paragraph should have been omitted:

Improper formatting: The petition should be in portrait rather than landscape orientation. Pages 45-59 are currently in landscape orientation.

Case IPR2014-00461  
Patent 7,664,395

The following paragraph should have been included:

Improper use of claim charts: Claim charts should be presented in a readable format so that a reader (e.g., the patent owner or a deciding official) is able to locate the claim limitations and the relied-upon portions of the prior art quickly. Presenting claim limitations and prior art teachings in a single column format creates inefficiency and, at times, appears to circumvent the page limit set forth in 37 C.F.R. § 42.24. Claim limitations should be presented in a separate column (e.g., claim limitations in the left column and prior art teachings in the right column).

This notice has no effect on the deadlines set forth in the original notice.

If there are any questions pertaining to this notice, please contact Amy Kattula at 571-272-5826 or the Patent Trial and Appeal Board at 571-272-7822.
