Before JAMESON LEE, HOWARD B. BLANKENSHIP, and

LEE, *Administrative Patent Judge*.

ORDER  
Conduct of Proceedings  
37 C.F.R. § 42.5

On October 15, 2014, an initial conference call was held between respective counsel for the parties and Judges Lee, Blankenship, and Busch. Both parties filed a list of proposed motions. Papers 18, 19. Neither list identifies a motion intended to be filed at this time. The parties state that they reserve the right to seek authorization to file motions, as necessary. We explained that if a party possesses rights, it is not necessary to “reserve” them, and that if no such right exists, none would be created by reservation.

Both parties indicate that they have no need for the Board to change Due Date 5 or Due Date 6, as set forth in the Scheduling Order dated September 23, 2014. Paper 17. We instructed the parties not to include in any Motion to Exclude Evidence arguments alleging that a reply or evidence in support of a reply exceeds the proper scope of a reply. If that issue arises, the parties should initiate a joint telephone conference call with the Board to discuss an appropriate resolution.

Counsel for Petitioner indicated that Petitioner soon may be filing another petition directed to claims of Patent 8,023,580 which are not challenged in this Petition, and may be filing a Motion for Joinder to join that proceeding with this one. That Motion for Joinder should be filed in the new proceeding, not this one. We asked Petitioner to notify Patent Owner as well as this panel as soon as that petition has been filed.

It is

ORDERED that all due dates set in the Scheduling Order dated September 23, 2014 (Paper 17), remain unchanged as a result of the initial conference call on October 15, 2014.
