**DECLARATION OF JONATHAN G. GRAVES IN SUPPORT OF  
UNOPPOSED MOTION FOR JONATHAN G. GRAVES TO  
APPEAR *PRO HAC VICE* ON BEHALF OF PATENT OWNER**

Neptune Ex. 2001

I, Jonathan G. Graves, do hereby declare:

1. I am a partner in the law firm Cooley LLP. Patent Owner Neptune Technologies & Bioresources Inc. ("Neptune") intends to designate J. Dean Farmer, Ph.D, another partner with Cooley LLP, as lead counsel in this *inter partes* review proceeding.<sup>1</sup> Dr. Farmer is registered to practice before the United States Patent and Trademark Office and holds Registration No. 57,917. I will work closely with Dr. Farmer in this proceeding.

2. I hold a Bachelor of Arts degree in Spanish from Dartmouth College. I hold a Juris Doctor degree from the University of Virginia School of Law.

3. I have over 23 years of experience as a litigating attorney representing clients in matters in various United States District Courts and Courts of Appeals, and before the International Trade Commission. My experience includes several litigation matters in the chemical arts. I am, therefore, an experienced litigating attorney. Patent Owner desires, and has a need, to be represented in certain aspects of these proceedings by an experienced litigating attorney.

4. I am familiar with U.S. Patent No. 8,278,351, and with the legal subject matter, technical subject matter, and prior art discussed in Petitioner's Request for *Inter Partes*

---

<sup>1</sup> Neptune initially designated Dr. Farmer as back-up counsel. See Paper 6. However, as detailed in IPR2014-00003 Paper 70 (filed July 3, 2014), Neptune's presently designated lead counsel is no longer employed by Cooley LLP, the law firm representing Neptune in this proceeding. Accordingly, Neptune intends to file a new Power of Attorney designating Dr. Farmer as lead counsel.

Review of U.S. Patent No. 8,278,351, which forms the basis for this proceeding.

5. I am a member in good standing of the Virginia State Bar and the D.C. Bar. I am also admitted to practice before the United States District Court for the Eastern District of Michigan, the United States District Court of Colorado, the United States District Court for the Central District of California, the United States District Court for the Eastern District of Texas, the United States District Court for the Eastern District of Virginia, the United States District Court for the District of Columbia, the United States Court of Appeals for the Federal Circuit, and the United States Supreme Court.

6. I have never been suspended or disbarred from practice before any court or administrative body.

7. I have never had a court or administrative body deny my application for admission to practice before such court or administrative body.

8. I have never been sanctioned or cited for contempt by any court or administrative body.

9. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of the C.F.R.

10. I agree to be subject to the United States Patent and Trademark Office Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et. seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

11. I have been admitted to appear *pro hac vice* in Case IPR2014-00003 (Paper 59).

I have not applied for *pro hac vice* admission in any other proceedings before the United States Patent and Trademark Office in the last three (3) years.

12. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of U.S. Patent No. 8,278,351.
