Luke,

Thank you for speaking with me this afternoon regarding the suit that VirnetX filed last week. We agree to accept service of the complaint on behalf of Microsoft. Additionally, you have agreed to a 30-day extension in the deadline for Microsoft's answer and/or preanswer motions (51 total days). We will file the appropriate papers for the extension.

You also requested that we discuss VirnetX's potential request for an expedited discovery schedule. We suggest a call on the afternoon of Monday, March 29 to discuss any proposals you may have. It would be helpful to know some details or specific proposals, including any asserted need for expedited discovery, so that we can assess them prior to the call.

Regards,
