 6 Whereupon,

 7   MICHAEL G. ROSENBLUM, Ph.D.,

 8 after having been first duly sworn or affirmed,

 9 was examined and did testify under oath as

10 follows:

11   EXAMINATION

12 BY MS. ELLISON:

13   Q.   Good morning, Dr. Rosenblum.

14   A.   Good morning.

15   Q.   For the record, would you state your

16 full name?

17   A.   Michael Gordon Rosenblum.

18   Q.   Thank you. And the city in which you

19 live?

20   A.   Houston -- or Sugar Land, Texas.

21   Q.   Have you been deposed before?

22   A.   I have.

23   Q.   How many times?

24   A.   Twice.

25   Q.   In which cases?

 1   M. ROSENBLUM

 2   A.   I was deposed in a case, in a patent

 3   case, about six years ago. And I was deposed in

 4   a criminal trial a year ago.

 5   Q.   Would I be correct in assuming that

 6   you were not the defendant in that criminal

 7   trial?

 8   A.   I was not the defendant.

 9   Q.   Let's just for sake of clarity go over

10   a couple of ground rules for today. So I will

11   try not to talk over you, and in return I ask

12   that you try not to talk over me. Okay?

13   A.   Perfect.

14   Q.   And you understand you're under oath

15   today, correct?

16   A.   I do.

17   Q.   And you understand that means you have

18   to tell the truth?

19   A.   Yes.

20   Q.   And one of the other ground rules is

21   you need to answer out loud, please. Is that

22   okay?

23   A.   I understand.

24   Q.   And you agree to do that, right?

25   A.   Yes.

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.
