Dear Greg and Ping,

For the sake of clarity, and in accordance with 37 CFR 42.54(a), will you please confirm by COB tomorrow that Phigenix does not oppose ImmunoGen's filing of a motion to seal documents containing confidential business information in support of ImmunoGen's Patent Owner's Response.

If needed, I can be available by telephone to discuss this at essentially any time.

Thanks,  
Eldora

Ping and Greg,

We plan to seek entry of a protective order in IPR2014-00676. Please let us know if Phigenix will consent to entry of the default protective order. If you see a need to deviate from the default protective order, please let us know what changes you think are necessary.

Thanks,  
Eldora
