

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

PHIGENIX, INC,
Petitioner,

v.

IMMUNOGEN, INC.,
Patent Owner.

Case IPR2014-00676
Patent 8,337,856 B2

Before JACQUELINE WRIGHT BONILLA, *Administrative Patent Judge*.

ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

In e-mail correspondence with Board personnel on April 11, 2015, Petitioner requested an additional ten (10) pages for Petitioner's Reply Brief, for a total of twenty-five (25) pages, consistent with United States Patent & Trademark Office Director Michelle K. Lee's recent blog posting outlining rule adjustments for America Invents Act trial proceedings.¹ In the same e-mail correspondence, also sent to counsel for Patent Owner, Petitioner indicated that Patent Owner does not oppose the request.

It is

ORDERED that the page limit for Petitioner's Reply Brief is increased to twenty-five (25) pages in this proceeding.
