1 Proceedings April 13, 2015

2 JUDGE SCOTT: All right. Again,
3 this is Judge Scott Daniels, and I'm
4 joined on the call with Judges Parvis
5 and Bunting. And this is the initial
6 conference call for IPR-2014, 01475,
7 01477 and 01478. And those IPRs all
8 specifically relate to the -- I'll give
9 the whole number, U.S. Patent 7,080
10 607, and Patent 7,293,520.

11 Let me ask now, who's on the line
12 from Petitioner?

13 MS. BERNIKER: This is Jess from
14 Williams and Connolly and with me is
15 Christopher Suarez also from Williams
16 and Connolly.

17 JUDGE SCOTT: Thank you. And from
18 Williams & Connolly?

19 MR. KIKLIS: Mike Kiklis, Your
20 Honor, from Oblon. With me is Kate
21 Cappaert of our office and I believe
22 Christopher Judy is also on the line,
23 as well as in-house counsel, Bridget
24 Echols.

25 JUDGE SCOTT: Thank you. All

1 Proceedings April 13, 2015
2 right. I think that we've been
3 through -- in the first series of cases
4 we have been through the entire range
5 of things that would -- issues that we
6 usually cover including motions to
7 amend and things like that. From
8 patent owner's perspective, do we need
9 to go through that again?

10 MR. KIKLIS: I don't believe so,
11 Your Honor, but there are a motion that
12 we do feel that we'll end up raising,
13 potentially.

14 JUDGE SCOTT: I'll get to that.
15 Just wanted to make sure -- I just
16 didn't want to go through, you know,
17 spend ten minutes going through what
18 we've been through before. Because it
19 doesn't look like we've -- in the other
20 cases, or this one, you still could but
21 at the moment, there's no anticipated
22 motion to amend?

23 MR. KIKLIS: Not at this point,
24 Your Honor, but of course but we may
25 decide to change that later on.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
