v.

ZOND, LLC,
Patent Owner.

Case IPR2014-00781
Patent 7,147,759 B2¹

Before JONI Y. CHANG, *Administrative Patent Judge*.

DECISION

Granting Motion for *Pro Hac Vice* Admission of Brett C. Rismiller
37 C.F.R. § 42.10

¹ This Decision addresses the same issues in the *inter partes* reviews listed in the Appendix. Therefore, we issue one Decision to be filed in all of the cases.

Petitioner GLOBALFOUNDRIES U.S., Inc., GLOBALFOUNDRIES Dresden Module One LLC & Co. KG, and GLOBALFOUNDRIES Dresden Module Two LLC & Co. KG (collectively, “GlobalFoundries”) filed a Motion for *Pro Hac Vice* Admission of Mr. Brett C. Rismiller in each of the proceedings identified in the Appendix. Paper 41. (“Mot.”).² Although Patent Owner Zond, LLC was authorized to file an Opposition to each of the Motions within one week after the filing of the Motion (Paper 4, 2; *Unified Patents, Inc. v. Parallel Iron, LLC*, Case IPR2013-00639, slip op. at 3 (PTAB Oct. 15, 2013) (Paper 7), our record shows no opposition has been filed. For the reasons provided below, GlobalFoundries’s Motions are *granted*.

Pursuant to 37 C.F.R. § 42.10(c), we may recognize counsel *pro hac vice* during a proceeding upon a showing of good cause, subject to the condition that lead counsel be a registered practitioner. The Order authorizing motions for *pro hac vice* admission requires a statement of facts showing there is good cause for us to recognize counsel *pro hac vice*, and an affidavit or declaration of the individual seeking to appear in the proceedings identified in the Appendix. Paper 4, 2.

In the proceedings at issue, lead counsel for GlobalFoundries is a registered practitioner. Mot. 1. GlobalFoundries’s Motions indicate that there is good cause for us to recognize Mr. Rismiller *pro hac vice* during

² For the purpose of clarity and expediency, we treat IPR2014-00781 as representative, and all citations are to IPR2014-00781 unless otherwise noted.

these proceedings, and is supported by the Affidavit of Mr. Rismiller (Ex. 1239). Mot. 1–2.

In particular, Mr. Rismiller declares that he is an experienced patent litigation attorney and has been practicing law, with a focus on patent litigation and other intellectual property matters. Ex. 1236 ¶ 8. Mr. Rismiller also declares that he has established familiarity with the subject matter at issue in the proceedings identified in the Appendix, as he has been representing GlobalFoundries, in the related district court litigation that involves the same patents being challenged in the proceedings before us. *Id.* ¶ 9. Additionally, Mr. Rismiller’s Affidavit complies with the requirements set forth in the Board’s Order authorizing motions for *pro hac vice* admission. *Id.* ¶¶ 1–9.

On this record, we determine that Mr. Rismiller has sufficient legal and technical qualifications to represent GlobalFoundries in the proceedings identified in the Appendix. We further recognize that there is a need for GlobalFoundries to have its counsel in the co-pending litigation involved in the proceedings before us. Accordingly, GlobalFoundries has established that there is good cause for Mr. Rismiller’s admission.

Accordingly, it is

ORDERED that GlobalFoundries’s Motions for *Pro Hac Vice* Admission of Mr. Brett C. Rismiller are *granted*; Mr. Rismiller is authorized to represent GlobalFoundries as back-up counsel in the proceedings identified in the Appendix;

IPR2014-00781
Patent 7,147,759 B2

FURTHER ORDERED that GlobalFoundries is to continue to have a registered practitioner represent it as lead counsel for those proceedings;

FURTHER ORDERED that Mr. Rismiller is to comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials, as set forth in Part 42 of Title 37, Code of Federal Regulations; and

FURTHER ORDERED that Mr. Rismiller is to be subject to the Office's disciplinary jurisdiction under 37 C.F.R. § 11.19(a), and the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et. seq.*

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
