2	other parties, the other nonpatent owners in those	2	Sorry.
3	other proceedings that are joined that I just	3	Q. So yesterday we had a deposition on two
4	announced can rely upon any objections that TSMC	4	cases for the '155 patent that went all day, right?
5	makes today.	5	A. Yes.
6	Do we have that agreement?	6	Q. Do you have any corrections or amendments
7	MR. LAHAV: We do.	7	to make to your testimony from yesterday?
8	MR. JACKSON: Thank you.	8	A. I do not right now, no.
9	RICHARD DeVITO, sworn	9	Q. What did you do to prepare for your
10	EXAMINATION	10	deposition today?
11	BY MR. LAHAV:		A. What did I do?
12	Q. Good morning.	12	Q. Yes.
13	A. Good morning.	13	A. I read the patents; I read my declaration.
14	Q. I just want to remind you to allow me to	14	Q. Did you meet with any of the lawyers
15	finish my questions before you begin answering. Is	15	present here or otherwise involved in these
16	that all right?	16	proceedings?
17	A. Sure.	17	A. Yes.
18	I may screw up, but I'll try my best.	18	Q. With whom did you meet?
19	Q. I appreciate it.	19	A. I met with all of them prior to today.
20	And also I'll remind you to give audible	20	Q. Can you name the ones that you can recall?
21	responses to my questions, okay?	21	A. All of the well, I don't know their
22	A. Okay.	22	names, but Greg, I met with this gentleman here, I
23	Q. And try to avoid uh-huhs and things like	23	met with Larissa, and the other gentleman from
24	that. Is that all right?	24	TSMC.
25	A. Uh-huh.	25	Q. In preparation for this deposition, when
	Page 12	2	Page 13
1	DeVITO	1	DeVITO
2	did you meet with them?	2	handed them out yesterday.
3	A. This morning.	3	MR. JACKSON: That's fine.
4	Q. For how long?	4	Q. And I also want to hand you Exhibit 1103,
5	A. Maybe 45 minutes to half an hour.	5	which is Mozgrin. And Exhibit 1103 is the Mozgrin
6	Q. Any other preparation for this deposition?	6	reference that you discuss in your declarations,
7	A. Prior to that, we had met off and on maybe	7	correct?
8	every other week for four to eight hours.	8	A. Well, I believe that the board hasn't
9	Q. In preparation for this week's	9	ruled on that, but we do discuss it in other
10	depositions?	10	grounds within the declaration.
11	A. Yes. Over the course of a month, not over	11	Q. There are actually two claims for which
12	the last eight months.	12	Mozgrin is at issue in the
13	Q. Okay. So four to eight hours a week for	13	A. You're right, excuse me, yes.
14	the past four weeks?	14	Q in the '184, correct?
15	A. Approximately.	15	A. Yes.
16	Q. Okay. Did you do anything else to prepare	16	Q. And I'll just remind you to allow me to
17			finish my questions before you answer
	for your deposition today?	17	* *
18	for your deposition today?  A. I read some of the background material	18	A. Sorry.
19	for your deposition today?  A. I read some of the background material that I had referenced in my declaration.	18 19	A. Sorry. Q even if you know what the answer is
19 20	for your deposition today?  A. I read some of the background material that I had referenced in my declaration.  Q. Anything else?	18 19 20	A. Sorry. Q even if you know what the answer is going to be. Thank you. Just for purposes of
19 20 21	for your deposition today?  A. I read some of the background material that I had referenced in my declaration.  Q. Anything else?  A. That's it that I can recall.	18 19 20 21	A. Sorry. Q even if you know what the answer is going to be. Thank you. Just for purposes of keeping the record straight.
19 20 21 22	for your deposition today?  A. I read some of the background material that I had referenced in my declaration.  Q. Anything else?  A. That's it that I can recall.  Q. Okay. I want to hand you what we marked	18 19 20 21 22	A. Sorry. Q even if you know what the answer is going to be. Thank you. Just for purposes of keeping the record straight. And at the end of the day yesterday, you
19 20 21 22 23	for your deposition today?  A. I read some of the background material that I had referenced in my declaration.  Q. Anything else?  A. That's it that I can recall.  Q. Okay. I want to hand you what we marked yesterday as Exhibit 2008. It's Kudryavtsev in the	18 19 20 21 22 23	A. Sorry. Q even if you know what the answer is going to be. Thank you. Just for purposes of keeping the record straight.  And at the end of the day yesterday, you referenced Mozgrin a number of times in reference
19 20 21 22	for your deposition today?  A. I read some of the background material that I had referenced in my declaration.  Q. Anything else?  A. That's it that I can recall.  Q. Okay. I want to hand you what we marked	18 19 20 21 22	A. Sorry. Q even if you know what the answer is going to be. Thank you. Just for purposes of keeping the record straight. And at the end of the day yesterday, you

	Page 14		Page 15
1	DeVITO	1	DeVITO
2	Q. Please turn to Figure 3 of Mozgrin.	2	MR. LAHAV: Okay. We'll redo that.
3	A. Yes.	3	Actually, I'll just withdraw that
4	Q. And if you look at Figure well, there's	4	question.
5	labels 1, 2a, 2b, and 3 on Figure 3, correct?	5	Q. Do you see where we are in the top of 403?
6	A. Uh-huh. Yes.	6	A. I see it now.
7	Q. And part 3, the label 3 of Figure 3	7	Q. And do you agree that part 3 of Figure 3
8	A. Uh-huh, yes.	8	corresponds to a high current diffuse discharge
9	Q that corresponds to the high current	9	regime?
10	diffuse discharge regime, correct?	10	A. I do.
11	<u> </u>	11	
	A. Um, I just have to read the part that		Q. Turn to Figure 6 of Mozgrin, page 405.
12	talks about that.	12	So Figure 6 shows photographs of Mozgrin's
13	Q. I'll point you to the next page, 403, at	13	target, right?
14	the top in the left column.	14	A. Correct.
15	A. (Perusing document.)	15	Q. And the Figure 6.(a)(1) on the top left is
16	I don't see it.	16	a picture of the target that corresponds to the
17	Q. You're on page 403 of Mozgrin?	17	high current magnetron discharge, correct?
18	A. The top left column?	18	A. Correct.
19	Q. Yes. The second sentence, "If the current	19	Q. And Figure 6.(a)(2) corresponds to high
20	was increased and ranged from 15 to 1,000 amps,"	20	current diffusive discharge, right?
21	A. Yes.	21	A. Correct.
22	Q "a diffuse regime of high current"	22	Q. And Figure 6.(a)(3) corresponds to the arc
23	A. Okay. I just saw it.	23	regime, right?
24	Q "discharge	24	A. Correct.
25	COURT REPORTER: I'm sorry.	25	Q. And do you see in Figure 6.(a)(3) at the

# DOCKET

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

# **Real-Time Litigation Alerts**

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## **Advanced Docket Research**

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## **Analytics At Your Fingertips**

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

### API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

#### **LAW FIRMS**

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

#### **FINANCIAL INSTITUTIONS**

Litigation and bankruptcy checks for companies and debtors.

### **E-DISCOVERY AND LEGAL VENDORS**

Sync your system to PACER to automate legal marketing.
