## Case IPR2014-00086, IPR2014-00812 Patent No. 7,010,536

1	PROCEEDINGS
2	(1:00 p.m.)
3	JUDGE McNAMARA: Please be seated. Good
4	afternoon. This is the oral hearing in two IPR cases,
5	IPR2014-00086 and IPR2014-00812. Petitioners are Apple,
6	Inc., Twitter, Inc. and Yelp, Inc. Patent Owner is
7	Evolutionary Intelligence, LLC.
8	Beginning with Petitioner, could counsel please
9	introduce themselves.
10	MR. KUSHAN: Yes, Your Honor. Jeff Kushan
11	with Sidley Austin for Apple. With me is Sam Dillon and
12	Tom Broughan of my firm. And also with me is Jen
13	Yokoyama from our client Apple.
14	JUDGE McNAMARA: Thank you.
15	MR. KADABA: Your Honor, Wab Kadaba with
16	Kilpatrick Townsend for Yelp, Inc. and Twitter, Inc., all in
17	the '812 proceeding.
18	Also with me is my colleague Rob Artuz, and we
19	have our client representative, Wendy Riggs, from Twitter,
20	Inc.
21	JUDGE McNAMARA: Thank you. Patent Owner?
22	MR. PATEK: Good afternoon. I'm Anthony Patek
23	from Gutride Safier on behalf of Evolutionary Intelligence.
24	And with me is backup counsel, Todd Kennedy, also from
25	Gutride Safier on behalf of Evolutionary.

## Case IPR2014-00086, IPR2014-00812 Patent No. 7,010,536

1	JUDGE McNAMARA: Great. Well, welcome to
2	the Patent Trial and Appeal Board. Today each party will
3	have 60 minutes of total argument time. The Petitioner bears
4	the ultimate burden of proof on the claims at issue and so
5	Petitioner will go first, present its case, and may reserve some
6	time for rebuttal.
7	The Patent Owner will then argue its opposition to
8	the Petitioner's case. And I believe there is a motion to
9	exclude that we might be hearing today, and so the Patent
10	Owner can present its case on the motion to exclude.
11	Petitioner will then have an opportunity to rebut
12	the Patent Owner's opposition and oppose the motion to
13	exclude. And the Patent Owner may then use any time it
14	reserved solely to rebut the Petitioner's opposition to the
15	Patent Owner's motion to exclude.
16	I also would like to mention we have Judge
17	Anderson who is participating remotely today. So please keep
18	that in mind as you are making your arguments.
19	Is everyone ready to proceed?
20	MR. KUSHAN: Yes, Your Honor.
21	JUDGE McNAMARA: We will begin with the
22	Petitioner. Is there some time you would like for me to
23	reserve?

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## **Real-Time Litigation Alerts**

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

### **Advanced Docket Research**

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

### **Analytics At Your Fingertips**

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

### API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

#### **LAW FIRMS**

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

#### **FINANCIAL INSTITUTIONS**

Litigation and bankruptcy checks for companies and debtors.

### **E-DISCOVERY AND LEGAL VENDORS**

Sync your system to PACER to automate legal marketing.
