To the Honorable Board,

Thank you for the conference call held on May 21, 2015, regarding the oral hearings scheduled for June 8 and June 12 in connection with the above cases, each of which involves two patents and multiple IPRs.

The parties have conferred regarding the issues discussed on the call and reached agreement on the following proposals:

- the parties propose that each hearing begin at 10 am on the appointed day;
- the parties propose that each patent be argued separately following the normal practice of petitioner presenting first, followed by patent owner's response, followed by petitioner's reply;

- the parties propose that each side be allocated one hour for each patent, for a total time of 2 hours per side and a total hearing time of 4 hours for each hearing;
- the parties propose that a lunch break be taken at each hearing following the completion of argument on the first patent;
- the parties request that a conference call in number be available at each hearing.

Respectfully,

John J. Feldhaus
