**NOTICE OF PROPOSED MOTIONS**

The present notice of proposed motions is filed as a consolidated filing. The initial conference call in this proceeding is scheduled for December 17, 2014 at 2:00 pm Eastern Time. Pursuant to the instructions for initial conference calls set forth in the Office Trial Practice Guide, Petitioners provide the following notice regarding anticipated motions in this proceeding.

Proposed Motions: As authorized in the Notice of Filing Date Accorded (Paper No. 3), Petitioner Taiwan Semiconductor Manufacturing Company, Ltd. and TSMC North America (collectively "TSMC") has or will file a motion asking that the Board recognize Mr. Anthony J. Fitzpatrick as counsel *pro hac vice* during this proceeding for TSMC.

Petitioners do not presently intend to file any other motions but nevertheless reserve the right to file a motion to exclude evidence or a motion for observation on the dates set forth in the scheduling order for this case, as well as to request permission to file any other motions that become necessary as the case develops (e.g., a motion for discovery).

Also, it is noted that Petitioners and Patent Owner are discussing possible changes to the dates set forth in the scheduling order and may file a notice stipulating to such changes, if agreement is reached.
