- - - - -

JUDGE DESHPANDE: This morning we have our hearings for IPR2014-00570, 571, 579, 875, 884 and 904, Ford v. Paice and the Abell Foundation. I'm Judge Deshpande, to my left is Judge DeFranco, to my right is Judge Medley. Let's have our parties' appearances. Who do we have for Petitioner?

MR. ANGILERI: Your Honor, Frank Angileri for Petitioner, and would you like me to introduce our whole house at this point in time?

JUDGE DESHPANDE: Yes.

MR. ANGILERI: At counsel table in this session are Andy Turner and John Rondini. Behind me is Sangeeta Shah, she will be joining counsel table for the third session and arguing one of the two in that session. Mr. Rondini will be arguing one of the two in the second session. They are all from my firm, Brooks Kushman.

In the back row are Matt Moore, who is Ford's litigation counsel, David Kelley who is in-house counsel at Ford, Kevin Greenleaf, Lissi Mojica and Anna Durham, who are with the Dentons firm. Nona Durham, excuse me.

JUDGE DESHPANDE: Great, thank you.

Who do we have for Patent Owner?

MR. CORDELL: Good morning, Your Honors, Ruffin Cordell from Fish & Richardson, and with me are my colleagues

1 Brian Livedalen and Pete Guarnieri, and arguing later in the day
2 will be Linda Kordziel, and my partner Tim Riffe is here. And I
3 would like to introduce our clients, this is Francie Keenan, who is
4 the chairman of Paice and the CFO of Abell, and Mr. Bill
5 Leinkhuler, who is the general counsel of Paice.

6 JUDGE DESHPANDE: Great, thank you, and
7 welcome, everybody, to the Patent Trial and Appeal Board. As
8 we outlined in the trial hearing order, the procedure for today, I'm
9 just going to go ahead remind everybody of what we have set up.
10 We have three sessions set up, session 1 which will begin now,
11 session 2 that will begin at 12:30, and session 3 that will begin at
12 2:45.

13 In the first session, we will be hearing arguments for
14 IPR2014-00571 and 904. In the second session at 12:30, we will
15 be hearing IPR2014-00579 and 884. And in the final session, the
16 third session, we will be hearing IPR2014-00570 and 875. For
17 the whole day, we're going to gather one composite transcript,
18 and enter it in each case.

19 I'm just going to remind both parties that if you have
20 any objections, wait until it's your turn to raise the objection. Do
21 not interrupt the opposing party while they're speaking, raise your
22 objections during your own allocated time. For each session,
23 each party will be given 60 minutes. You can allocate the time as
24 you see fit, just remember to identify what case number you're
25 referring to and also identify what slide numbers for

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
