IPR2014-00103, IPR2014-00104, IPR2014-00105,
IPR2014-00108, and IPR2014-00898

We will provide a court reporter for each hearing, and the reporter's transcript will constitute the official record of the hearing. Each hearing will be open to the public via in-person attendance on a first-come, first-served basis. If the parties have any concern about disclosing confidential information, they are requested to contact us at least 10 days in advance of the hearing to discuss the matter.

The parties are reminded that, under 37 C.F.R. § 42.53(f)(7), a proponent of deposition testimony must file such testimony as an exhibit. We will not consider any deposition testimony that has not been filed in accordance with our rules. Furthermore, under 37 C.F.R. § 42.70(b), demonstrative exhibits must be served at least five business days before the hearing. We request that such exhibits be filed at least two business days before the hearing. The parties are directed to *St. Jude Medical, Cardiology Division, Inc. v. The Board of Regents of the University of Michigan*, IPR2013-00041, Paper 65 (PTAB Jan. 27, 2014), for guidance regarding the appropriate content of demonstrative exhibits. The parties must initiate a conference call with us at least two business days before the hearing to present any objection regarding the propriety of any demonstrative exhibit. Any objection to demonstrative exhibits that is not presented timely will be considered waived. We ask the parties to confine demonstrative exhibit objections to those identifying egregious violations that are prejudicial to the administration of justice.

The parties are reminded that, during the hearing, the presenter must identify clearly and specifically each demonstrative exhibit referenced (e.g., by slide or screen number) to ensure the clarity and accuracy of the reporter's transcript.

If a party anticipates that its lead counsel will not be attending the oral argument, the parties should initiate a joint telephone conference with the Board no later than two business days prior to the oral hearing to discuss the matter. Any counsel of record, however, may present the party's argument. A party's argument may be divided, but interruptions for change of counsel should be kept to a minimum.

The parties are reminded to direct their requests for audio-visual equipment to Trials@uspto.gov. Requests for special equipment will not be honored unless presented in a separate communication directed to the above email address not less than five days before the hearing. If the request is not received timely, the equipment may not be available on the day of the hearing.
