Case IPR2014-00920
Patent 6,771,970

Petitioner's Notice of Potential Motions

An initial conference call is scheduled in this proceeding for Tuesday, January 13, 2015 at 1:30 PM Eastern Time. In advance thereof, Petitioner provides notice that it does not at this time anticipate filing any additional motions not already provided for in the Board's Scheduling Order of December 16, 2014 (Paper No. 12). Petitioner in no way waives its right to request permission to file additional motions and/or oppositions during the course of this proceeding.

Petitioner proposes a modification to the Scheduling Order as follows:

DUE DATE 4: Remove the Motion to Exclude Evidence as an item due on this date (June 16, 2015); and

Add a new DUE DATE "4a": Motions to Exclude Evidence due June 23, 2015.

Counsel for Petitioner has conferred with counsel for Patent Owner regarding the proposed Scheduling Order modification, and counsel for Patent Owner has indicated that there are no objections to the proposed modification. The parties will consult with the Board regarding the proposed schedule modification during the initial conference call. Petitioner will subsequently file an appropriate Notice of Stipulation, if necessary. To the extent the Board determines that a motion is necessary to effect the proposed Scheduling Order modification,

Petitioner hereby gives notice of its intention to request permission to file any such motion during the initial conference call.
