v.

CALLWAVE COMMUNICATIONS, LLC
Patent Owner

Case IPR2014-00920
Patent 6,771,970

**Petitioner's Notice of Corrected Exhibits 1117-1118 and
Motion to Expunge Previously Filed Exhibits 1117-1118**

Earlier *today*, January 16, 2015, Petitioner filed its Opposition to Patent Owner's Motion for Additional Discovery along with Exhibits 1117-1118. These Exhibits were prepared in accordance with the rules by application of an electronic label to each page identifying the party, exhibit number, and page number. However, due to a clerical error, unlabeled versions of these Exhibits were mistakenly uploaded and filed.

Corrected Exhibits 1117-1118 are submitted herewith, and contain the same substance as originally filed Exhibits 1117-1118. Thus, Petitioner respectfully requests that originally filed Exhibits 1117-1118 be expunged, and corrected Exhibits 1117-1118 submitted herewith be made of record.

In filing this Motion, Petitioner relies upon the guidance provided at <http://www.uspto.gov/ip/boards/bpai/prps.jsp> ("If the wrong document was uploaded and the "Submit" button was clicked, you should file the correct document and a motion to expunge the wrong document as soon as possible. *Any motion to expunge filed on the same day as the wrong document will generally be granted*"; emphasis added).
