ORDER
Conduct of Proceeding
37 C.F.R. § 42.5

Petitioner requests¹ “confirmation” that it’s Reply due April 29, 2015 will have a page limit of 25 pages, consistent with the announcement from Director Lee dated March 27, 2015.

Director Lee’s announcement applies to cases that have not yet been briefed. It is a matter of panel discretion as to how to apply the new page limits to cases already in briefing. In this case, the Petition (Paper 3), Patent Owner’s Preliminary Response (Paper 8), and Patent Owner’s Response (Paper 28) were all filed in accordance with the originally set page limits. To increase the page limit for Petitioner’s Reply would provide an unfair advantage to Petitioner. We note that there is no Motion to Amend in this case.

ORDER

Accordingly, it is hereby

ORDERED that Petitioner’s request for additional pages for its Reply is denied.

¹ Email request dated April 22, 2015.
