CASE IPR2014-00989¹
Patent No. 7,643,168

PETITIONER'S NOTICE REGARDING ORAL ARGUMENT

¹ Case IPR2015-00543 has been joined with this proceeding.

Pursuant to 37 C.F.R. § 42.70 and the Board's Scheduling Order dated December 9, 2014 (Paper 7), Petitioners HTC and Samsung give notice that they do not seek oral argument. HTC and Samsung submit that the issues currently on trial in this proceeding have been briefed adequately and oral argument is not necessary. Earlier today on May 26, 2015, Patent Owner e-Watch filed its request for oral hearing but did not specify the issues to be argued.

In the event that the Board grants Patent Owner's request for oral argument or finds that oral argument would be helpful in deciding any of the issues, HTC and Samsung request participation in oral argument and request that HTC and Samsung be given a reasonable amount of time to present their arguments.

Respectfully submitted,
