Case IPR2014-00989
Case IPR2015-00543
Patent 7,643,168 B2

Before JAMESON LEE, *Administrative Patent Judge*.

Order
Conduct of Proceeding
37 C.F.R. § 42.5

On August 27, 2015, a conference call was held between Judge Lee and respective counsel for the parties. The parties requested permission to file a joint motion to terminate proceeding on the basis that all parties to this joined proceeding have settled. The parties also requested permission to file a request to file and to have kept their settlement agreement as confidential business information under 37 C.F.R. § 42.74(c). Both requests were *granted*.

The parties were advised to file their settlement agreement as an exhibit, to file their request under 37 C.F.R. § 42.74(c) as a separate paper from their joint motion to terminate, and to not label their request under 37 C.F.R. § 42.74(c) as a motion to seal.

It is ORDERED that the joint motion to terminate and the corresponding request under 37 C.F.R. § 42.74(c) should be filed by September 10, 2015, and that the parties can expect that no final written decision will issue prior to that date.
