- Incorrect spacing in petition. Petition should be double-spaced. The only charts that may contain single spaced text are claim charts. 37 C.F.R. § 42.6(a)(2)(iii). Charts only listing claim limitations should be double-spaced.
- Failure to certify that Petitioner is not barred or estopped from requesting the review challenging the patent claims on the grounds identified in the petition. 37 C.F.R. § 42.104(a).

Petitioner must correct the defects within FIVE BUSINESS DAYS from this notice. Failure to correct the defects may result in an order to show cause as to why the Board should institute the trial. No substantive changes (e.g., new grounds) may be made to the petition.

Patent Owner may file a preliminary response to the petition no later than three months from the date of this notice. The preliminary response is limited to setting forth the reasons why the requested review should not be instituted.
