THE PARTIES' JOINT SUBMISSION IN RESPONSE TO THE BOARD'S ORDER CONCERNING THE CONDUCT OF THE PROCEEDINGS

Universal Electronics Inc. (“UEI” or “Patent Owner”) and Universal Remote Control, Inc. (“URC” or “Petitioner”) respectfully submit this response to the Board’s Order Concerning the Conduct of the Proceedings (Paper No. 42). In that Order, the Board instructed the parties to submit a joint paper explaining which, if any, previously sealed documents no longer need to be sealed.

UEI has removed redactions that concern the real party in interest in the public version of the Patent Owner Response (Paper No. 16). The 2004 settlement agreement between UEI and URC/Ohsung (Exhibit 2050) is not confidential and is being resubmitted without any confidentiality restrictions. UEI has also removed several redactions concerning secondary considerations of non-obviousness from public versions of the Patent Owner Response (Paper No. 16) and the Ramzi Ammari Declaration (Exhibit 2064).

URC has likewise removed a portion of the redactions included in the Petitioner’s Reply (Paper No. 21) that concern secondary considerations of non-obviousness. Only allegedly confidential information of UEI and/or third parties remains subject to the parties’ motions to file under seal. Thus, URC gave UEI the option of choosing what it would like to keep redacted in URC's Reply brief.

The three documents referenced above for which the parties have endeavored to reduce redactions are being filed herewith. The parties are available

for a telephone conference with the Board if the Board has any questions or concerns regarding the revisions to the parties' redactions.

Date: August 26, 2015

Respectfully submitted,

Universal Electronics, Inc.

Universal Remote Control, Inc.
