1 (Witness sworn.)

2 ALEX COOK,
3 called as a witness herein, having been
4 first duly sworn, was examined and
5 testified as follows:

6 Cross-Examination

7 By Mr. Barkaus

8 Q. Okay. Mr. Cook, my name is
9 Keith Barkaus. I'm with the firm of
10 Ostrolenk Faber LLP in New York
11 representing the Petitioner, Universal
12 Remote Control, Inc. And with me I have
13 Mr. Ferenc Pazmandi from Sidley Austin also
14 representing Universal Remote Control; and
15 Peter Kang, also from Sidley Austin, who
16 also represents Universal Remote Control.

17 I'm going to go ahead and get
18 started here with an exhibit which I have
19 tentatively marked as Universal Remote
20 Control Exhibit 1030 for Trial No. IPR
21 2014-0019.

22 (Document marked as
23 Exhibit No. 1030 for
24 identification.)

25 BY MR. BARKAUS:

1 Q. And, Mr. Cook, as you can see,
2 this document on the top right side there
3 it says Amended Petitioner's Notice of
4 Deposition of Alex Cook. And if you turn
5 to the second page there, it refers to the
6 deposition that will be taking place in
7 Case Nos. IPR 2014-1102, 2014-1103,
8 2014-1104, 2014-1106, and 2014-1146. Do
9 you see that?

10 A. I do see that.

11 Q. And is it your understanding
12 that you're here today to provide testimony
13 in those IPR matters?

14 A. Can you relate to me which -- I
15 don't know the IPR numbers off the top of
16 my head. Can you relate to me what patents
17 are in each of those?

18 Q. I believe I can.

19 A. Okay.

20 Q. IPR 2014-1146 relates to U.S.
21 Patent No --

22 A. The last three digits will be
23 fine.

24 Q. The last three digits. That's
25 even better, because I know those better.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
