Merriam-Webster, Incorporated Springfield, Massachusetts, U.S.A.

Synopsys Exhibit 2002 ATopTech v. Synopsys IPR2014-01145 OCKE

The name Webster alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary buyer.

Merriam-Webster^M is the name you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.
