Case IPR2014-01181<sup>1</sup>

Patent No. 8,532,641 B2

---

**PATENT OWNER'S MOTION TO EXPUNGE EXHIBIT 2010,  
ENTITLED "FREED, LES - THE FIRST BLUETOOTH, PCMAG.COM"**

---

<sup>1</sup> Cases IPR2014-01182 and IPR2014-01184 have been consolidated with the instant proceeding.

I. RELIEF REQUESTED

During the course of filing the Patent Owner's Response in *inter partes* review IPR2014-01181, counsel for Patent Owner realized that he had uploaded two different exhibits but had assigned them the same exhibit number. *See* Ex. 2010 (Freed, Les - The First Bluetooth, PCMag.com) and Exhibit 2010 (Newcomb, Doug - From Eight Track to Bluetooth). Upon noticing the error, counsel attempted to use the "delete" icon with respect to the incorrectly submitted Exhibit 2010 in order to remove the incorrectly designated exhibit from the submission queue. However, upon pressing the "delete" icon, rather than deleting the erroneously uploaded document, the PRPS system proceeded to submit all documents that were currently in the submission queue, including the exhibit with the incorrect designation. Counsel for Patent Owner respectfully requests that the incorrect version of Exhibit 2010, entitled "Freed, Les – The First Bluetooth, PCMag.com" be expunged from the record.

Dated: May 14, 2015

Respectfully submitted,

/Thomas R. DeSimone/
