

FAQ's

What is unified's objective?

Who owns Unified Patents (Unified)?

When was Unified Founded?

How is Unified Organized?

Unified is a membership organization created to help companies counter the costs and risks of NPE activity in key technologies or industries, called Zones. Like a trade association, members of Unified subscribe to a Zone for a small annual subscription fee based on company size.

How does Unified achieve its goals?

What control do members have over Unified's use of IPR at the USPTO?

If Unified files an IPR, how does it decide which patent to challenge?

Does Unified purchase patents?

Would Unified consider terminating an IPR?

Does Unified pay NPEs to settle patent litigation or assertions?
