Subject: Request for Conference Call re IPR2014-01415

Dear Board,

Ford requests a conference call to seek the Board's guidance on whether and how to address Paice's assertion that Ford has not established that Takaoka qualifies as a prior art "printed publication." (See e.g., Patent Owner's Preliminary Response, Paper 9, pp. 5-9 of IPR2014-01415.) Accordingly, to the extent the Board considers it helpful, Ford would like to file a Reply on the issue.

We have conferred with counsel for Paice, and the parties are available on Monday, January 5 before 3 pm and on Tuesday, January 6.

Thank you for your consideration.

Regards,
Andrew Turner
Counsel for Petitioner, Ford Motor Company
