Subject: Echostar/Hughes v. Caltech: IPR2015-00059

Eliot:

As you recall, the Board (Paper 21) ordered Hughes and EchoStar to produce (1) legal bills demonstrating DISH involvement in the IPR proceedings and (2) any communications from DISH related to drafts and approvals of IPR petitions. While the Board issued its discovery order a month ago, to date we have not received Hughes' and EchoStar's production, nor have we even received any indication that you intend to comply with the order.

Please respond and let me know the date by which Hughes and EchoStar intend to complete production. In view of the elapsed time since the discovery order was issued on May 11, as well as the limited time before Caltech's patent owner response is due, I ask that you provide this date of discovery compliance by June 19th, 2015. If for some reason you are unable to do so, please respond at your earliest convenience and let me know the circumstances preventing compliance by June 19th, 2015.
