Counsel: The panel appreciates your participation in the conference call held Feb. 25, 2015.

The parties are welcome to provide additional briefing (no more than 5 pages) directed to the question of whether either of the Dish entities should have been named as a real party in interest in the petitions.

The panel will make its determinations with regard to the naming of real parties in interest as part of its decision to grant or deny the petitions and would appreciate having that briefing within 3 weeks of the conference call date.

Thank you,
