Air Mileage

Your stay is planned, now how are you going to get there? Look no further. Redeem your points for airline miles and you're on your way.

Please note: Once frequent flyer miles have been requested, miles will automatically be transferred to your frequent flyer account. Please allow approximately six weeks for miles to be posted to your frequent flyer account or contact the airline to inquire about express service (may include a fee).

Browse Reward Types

If you prefer, you can simply browse through all the great Marriott Rewards available to you. Just select the type of reward that interests you.
