Subject: RE: Petition Real Party of Interest Question [IWOV-FCHS_WS.FID7489794]

Justin,

Thanks. I'll make sure I include this response as an exhibit in my petition responses as I noted that I would do.

I appreciate your clarifying your position as I have attempted to clarify mine – so that a decision can be made by the PTAB based on as clear of a record and facts as is possible at this stage.

We'll have the PTAB resolve this discrepancy based on the information I could find and based on the information/evidence that you were willing to present. If you believe (based on your considerable legal knowledge in this area) that other evidence/law/facts are appropriate for the PTAB to consider even if expressed questions in its regard were not asked, please provide it (anything I receive by Friday January 16, 2015 - I will include as exhibits in my preliminary responses, which will be filed soon) so that the PTAB can make their decision based on the best possible evidence/facts with the minimum amount of needless expenditure of Judicial time and resources.

Very Truly Yours,
- Brian
