You can earn miles and redeem awards with our car rental partners by providing your Mileage Plus® number when you make your reservations. Please note that mileage accrual is subject to change without notice.

Each time you request an air travel award, you will receive a car rental award certificate valid for a discount or upgrade at participating locations with the following partners, excluding Dollar Rent A Car, Sixt rent a car and Thrifty. Please see your certificate for additional details. All awards are subject to availability and may not be available at all times. Blackout dates apply.

When you redeem your air travel award ticket using ticket by mail, you'll receive your car rental (and hotel) certificates with your airline tickets. When you use our E-TicketSM service or pick up your award tickets from a ticket office, your car rental (and hotel) award certificates will be sent to you separately.
