Subject: RE: Nikkei Electronics from November 1999

Dear Karin,

Sorry to keep you waiting.

I have received the confirmation from our fulfillment department that the November 15 issue of 1999 had been published on the day, which is by November 15, actually delivered to subscribers address.

We do not have internet version of the issue and any article on the web at that time.

Hope this information helps you.

Best regards,

R. Kaminaga
